with Grapefruit Seed Extract, Orange Peel Extract & Oxygen Bleach

- ❁ **Super concentrated**, only 1 tablespoon per load.
- ❁ **Phosphate & chlorine free.**
- ❁ **Oxygen Bleach** to remove stains, fight corrosion, and control odors in automatic dishwashers.
- ❁ **Leaves no chemical taste** or odors behind.
- ❁ **Rinses free** of spots, film and residue.
- ❁ **Environmentally friendly** with no negative effects on rivers, streams, plants or wildlife.
- ❁ **Biodegrades** rapidly.
- ❁ **No animal testing** or ingredients.

CONTAINS NO: Chlorine, borine, phosphorous, quaternaries, nonyl phenol, salt, silicone, defoamer, MEA, EDTA, glycol ether, free silica, sodium lauryl or laureth sulfate, artificial fragrance, colors, or preservatives.

At Last, A Phosphate Free Alternative That Really Performs!

Only 1 tablespoon per load gets off tough, baked-on food and grease, while natural oxygen bleach helps remove stains. Contains Grapefruit Seed Extract, and Orange Peel Extract to help clean and fight odors. Dishes, glassware, and flatware come out spotless, and free of chemical taste, odors, and residue. Safe for high-efficiency and commercial dishwashers. (2 lbs., 50 lb.)
